

Cenex® Product Quick Reference

Lubricant Products	Features & Benefits
Maxtron® Enviro-EDGE® Full-Synthetic Diesel Engine Oil 5W-40	• Excellent Shear Stability and Viscosity Retention • Superior Deposit and Wear Control • Longer Engine and Oil Life
Maxtron DEO Synthetic Blend Diesel Engine Oil 15W-40, 10W-30	• Exceptional Deposit and Consumption Control • Advanced Antioxidant Technology • Reserve Protection
Superlube TMS® Heavy Duty Diesel Engine Oil 15W-40, 10W-30	• Emission and Catalyst Protection • Oil Durability • Soot Control
Maxtron THF+ Full-Synthetic Tractor Hydraulic Fluid	• Superb High and Low Temperature Performance • Excellent Viscosity Stability • System Cleanliness
Qwiklift® HTB® Universal Transmission Hydraulic Fluid	• Wear Protection • Friction Control • Oxidation Control
Maxtron Full-Synthetic Gasoline Engine Oil 0W-20, 5W-20, 5W-30, 10W-30	• Extended Drain Intervals • Reserve Performance • Exceeds Current ILSAC and GM dexos1™ Requirements
Auto Gold® Synthetic Blend Gasoline Engine Oil 5W-20, 5W-30, 10W-30	• Flex-Fuel Vehicle Compatible • Oil Pumpability • Contains ZDDP to Protect Highly Loaded Engine Parts
Maxtron Multi-Vehicle ATF LOW VIS Full-Synthetic Automatic Transmission Fluid	• Multi-Vehicle Capability • High Temperature Protection • Superior Cold Temperature Flow
Auto Gold ATF DM Automatic Transmission Fluid	• Outstanding Frictional Properties • Cold Temperature Operability • Transmission Cleanliness
Indol® Premium Hydraulic Oil	• Zinc Anti-Wear • Exceptional Oxidation Control • Reserve Quality
MP Gear Lube Multi-purpose Gear Oil	• Superior Extreme Pressure Properties • Foam Control • Protects Against Contamination

Grease Products	Features & Benefits
Maxtron FS Full-Synthetic Multi-purpose Lithium Complex Grease	• Color: Amber • Full-Synthetic Performance • Outstanding Extreme Weather Performance
Maxtron EP Synthetic Blend Lithium Complex Grease	• Color: Gray • Extreme Pressure Performance • Contains 3% Molybdenum Disulfide
Blue Gard® 500+™ High Temperature Multi-purpose Lithium Complex Grease	• Color: Blue • Excellent Anti-Wear to Extend Life • Rust and Corrosion Protection
Red Protect XT® Extra Tacky Lithium Complex Grease	• Color: Red • Seals Out Contamination • Outstanding Adhesive and Tackiness Properties
ML 365® Multi-purpose Lithium All Season Grease	• Color: Green • Cold Temperature Performance • Reduced Oil Separation
Poly-Xtreme® High Temperature Polyurea Grease	• Color: Blue-Green • Resists Water Washout • Unique Flexibility to Protect Equipment
